BOOK YOUR WEDDINGS & EVENTS

HOW TO BOOK THE RESERVATION: “SAVE THE DATE”

To formally reserve your wedding date and a time for either pickup or delivery, we require initials on each line and signatures at the bottom of our Wedding & Events Contract as well as a deposit to reserve the date and time of your event. 50% of the final balance is due 90 days in advance, and 100% payment is due 30 days in advance.

If you are booking your wedding inside of our 90 day deadline, our payment deadlines still apply. 50% is due 90 days in advance, and 100% payment is due 30 days in advance.

Please be advised that some design elements may not be feasible if a wedding is booked with less than 90 days' notice.

DO YOU OFFER DELIVERY?

Yes! Our studio offers a professional delivery and setup service to any venue. Delivery guarantees the safe arrival of your items for an additional fee that is based on the address of your venue.

Our delivery schedule is booked on a first-come-first-served basis, which means that we may not be able to offer delivery for your wedding reservation if a certain date's delivery schedule is already booked.

We anticipate that the dessert table is prepared in advance of our arrival. Our Designers are not responsible for obtaining, setting up, or building the table(s) or decorations onsite. Our Designers retain all authority to suggest to a planner, venue employee, or wedding member that certain cake stands or decorations should not be used for the safety of the items.

Once our team has completed the setup, we are not responsible for deconstructing or moving the items if a planner or other party chooses to change the table arrangements. Our team is not responsible for returning to the venue if the items are damaged or moved after we have left.

We do not offer pickup or delivery services on Sunday.

DO YOU OFFER CAKE CUTTING?

No; we do offer cake cutting instructions, though. These instructions are always left with the cake(s) or with the extra boxes at the venue. We advise that you ask your caterer, planner, or waitstaff about additional cake cutting services.

LOSS OF WEDDING/EVENT RESERVATION

In the event that the wedding is postponed, we are happy to maintain your payment history and simply reschedule your date and time to the best of our ability.

In the event that the wedding is cancelled, the deposit and additional expenses on behalf of our studio (such as purchasing ingredients, structural pieces, or paying an artist to sculpt time-consuming pieces in advance) are non-refundable, but the remainder of your balance can be refunded.

In the event that the wedding balance is not paid in full, or is otherwise behind on payment by our Contract's deadlines, the wedding reservation may become null and void. The deposit and additional expenses on behalf of our studio (such as purchasing ingredients, structural pieces, or paying an artist to sculpt time-consuming pieces in advance) will be non-refundable, and our studio will cancel the reservation.

BUILDING YOUR BUDGET

Our Designers strive to make each wedding completely unique, which often means that your specific vision will need a custom quote. To receive a custom quote, please contact our studio directly via email, phone, or a personal visit.

We advise our clients that each cake design comes with its own unique design features, and the complexity of the design will greatly impact the final cost of the cake.

In general, consider an estimate of \$8-15 per serving for your starting budget.
